

EXCITING OPPORTUNITY!

Help celebrate the Renton High School Centennial

The Renton History Museum seeks groups interested in working with the Museum to create an exhibit to commemorate Renton High School's 100th birthday. Help the Museum tell your school memories and experiences!

Students, teachers, alumni: all are welcome! Groups should be organized by the end of April and must attend three exhibit planning meetings with Museum staff during May - July 2010. Each group will have their own exhibit case which the Museum will fill with your photographs and memorabilia. You will also be able to tell your story by providing text for an exhibit label. The exhibit will be displayed in the Museum September 2010 - June 2011.

If you are interested in participating, please contact Museum Director Elizabeth P. Stewart at estewart@rentonwa.gov or 425.255.2330.
